Team composition

The Athletes should run the legs (A, B, C, D) as registered. The Relay Team can change the order without notice. Please notify us only when the team changes the sexual composition (Male-, Female-, Mixed-Team) latest at the pick-up of race documents.

Time measurement

Each relay team will receive a relay transponder with velcro tape to be worn by each team member on the wrist only.

The Transponder has to be handed over to all team members.

Timing is done only by this Relay Transponder.

Additionally each Athlete has a BIB to measure at control points. Without Relay Transponder no timing!
